### Only One-Third?

About one-third of the town's "E" bond quota, or about \$90,000 of the \$310,000 needed, had been subscribed up to yesterday, Chairman Louis Finger announced. Confidentially, that's better than the state average, but, confidentially, Andover can and should do much better than the state.

Have you bought yours? If you have, why not try to swing another; if you haven't,—well, it does take money to pay back that debt we owe the Japs who conducted the March of Death.

### Three Articles To Be Inserted On Shaw Property

#### Trustees Ask Town Purchase and Survey

The much-discussed Shaw property will be the subject of three articles to be inserted by the trustees of that property in the annual town meeting warrant, Roy E. Hardy stated last night. One article would ask that the town purchase the property, with the figure mentioned being 11,400, or at a figure not higher than cost and to include charges to the present owners.

The second article would authorize the selectmen to rent the property.

Under the third article an appropriation of \$2500 would be made for an engineering and architectural study of the property, in an endeavor to ascertain what the best use of the land for town purposes would be. The site is commonly mentioned as a possible location for a new municipal office building if the town feels that such a building should be erected. There will, of course, be no article in the warrant dealing with the new town house this year.

### Andover-Exeter in War Bond Contest

What the Phillippian calls "The most important Andover-Exeter contest in the history of the two schools" began at noon yesterday in an effort to determine which school could raise the most money in war bonds and stamps.

The Phillippian came out yesterday noon with a banner spread across the top of its front page: "Beat the Red and Gray — Buy War Bonds Today." Large cards bearing the same message have been printed and distributed.

(Continued on Page 11)

### Tin Collection Nets Eight Tons

#### Also Collect Over 5000 Pounds of Clothes

The people of Andover responded in highly laudable fashion last Sunday by wholeheartedly cooperating with the workers who were collecting tin. In the first tin collection since November, the results amounted to 15,700 pounds, which is the largest total ever picked up. The trucks started out promptly at 1 P.M. and with the help of over 40 Junior High school boys, they had the town canvas completed at 4 o'clock.

The Salvage committee also had trucks out Sunday making a special pickup of old clothing that the women of the town had assembled at zone leaders' homes under the direction of Mrs. M. Phillips Graham. It was taken to the old Andover Coal Co. office in the Musgrove building, where it will be sorted, sent to cleaners and thence to countries and areas suffering greatly from the lack of proper clothing. The huge pile collected was estimated to weigh over 5,000 pounds.

### Duo-Pianists on Phillips Broadcast

Something different will be presented in tonight's Phillips academy hour over WLAU at 8, when two 14-year-old academy students, Gilman Collier and James S. Darling, will give a duo-piano program. The public is invited to attend the program at the Chapel, but anyone planning to attend should be there by five of the hour.

### Sports World Headliners and Mayor Tobin To Feature Banquet For Eddie Doherty Saturday

What is thought to be one of the finest arrays of talent ever to appear at a sports banquet here will be presented Saturday night at the Memorial Cafeteria and auditorium as Andover fetes Eddie Doherty, Boston College star, and the Andover Town baseball team.

Mayor Maurice Tobin of Boston will be present to speak. Among the headliners from the sports world will be: Dave "The Colonel" Egan, sports editor of the Boston American and Record; Arthur Segal, sports editor of the Herald-Traveler; Bill Stewart, Big League umpire and hockey official; Stuffie McInnis, old-time baseball player Henry Lamar, coach of Harvard's boxers and assistant football coach; Don Corrivan, Eddie Doherty's roommate and unanimous choice for All-American end; Carl Braumbaugh, ten years with the Chicago Bears, seven as quarterback, four of which

### B.P.W. Asks Sand-Snow Loader, Selectmen New Vale Fire Truck

#### Ask \$5800 To Replace 30-Year-Old Pump

Although the annual town meeting warrant will not close officially until late this afternoon, it is understood that one of the articles to be contained therein will be a selectmen-sponsored request for a fire truck to replace the 30-year-old piece which has been housed at the Vale fire station. The cost of the pump, a 500-gallon unit, will be \$5,800. Fire authorities have expressed serious doubts as to whether the 30-year-old unit would be of much value in an emergency.

There will also be a repeat of last year's article asking for an appropriation for purchasing War Bonds to provide a post-war fund. Soldiers' benefits will also occupy a prominent place in the meeting, with there being a probability of an increase and a possibility of a lump sum appropriation for the various veteran accounts.

It is also expected that there will be an article asking that unpaid water bills be considered a lien on the property.

The warrant will be very light, with fewer than usual private articles. George Cairns of Shawsheen Heights will reintroduce the Princeton road articles that were in the warrant two years ago. One article asks the town to accept the completion of Princeton avenue as a public way, and the other asks the town to purchase the water main and appurtenances from George

(Continued on Page 3)

#### Cost To Be \$7200; Also Ask \$6000 Brook Repairs

An article calling for an appropriation of \$7200 to buy a new or rebuilt combination snow and sand loader together with appurtenances and another asking \$6100 for rebuilding and repairing portions of walls in the way of Rogers Brook are among the six articles being inserted in the warrant on petition of the Board of Public Works. There will be another article inserted at the request of the special water and sewer survey committee, asking \$6000 for an engineering survey of the present system as a basis for future development. Plans were talked over at a recent joint meeting of the Board of Public Works and the special committee.

In another article the Board of Public Works asks \$400 to acquire some land adjacent to the town yard on Lewis street. Another asks \$5000 to build new sidewalks, another asks \$500 to repair and paint the baseball and football bleachers

(Continued on Page 6)

### Only Two Contests As Nominations Close

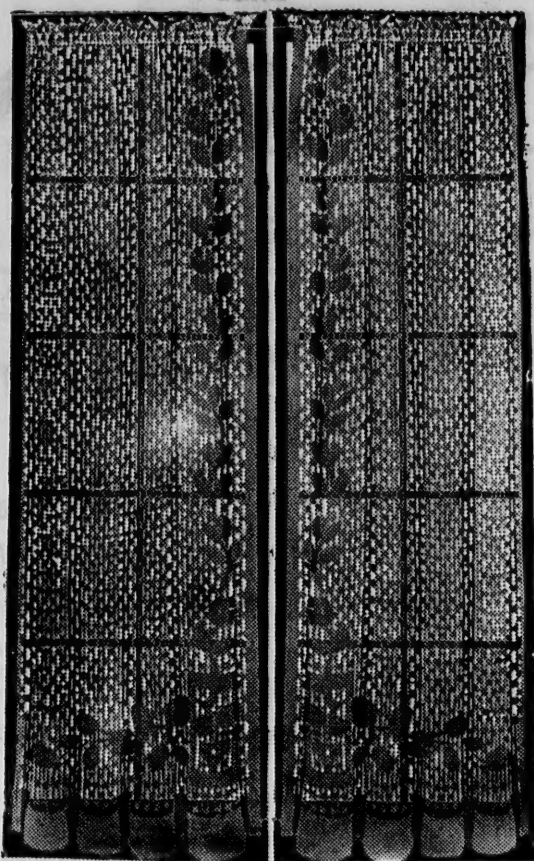

The dulllest election in years is promised for the first Monday in March. Nomination papers have to be in tonight, but the number of those who have taken out papers is pitifully low.

Contests at present loom only in the school committee position, where the two incumbents, Mrs. Katharine Baldwin and John M. MacKenzie are being opposed by Mrs. Dorothy T. Partridge and Gordon M. Thompson. Three positions are to be filled.

William Snyder has taken out papers for the Board of Public Works, opposing Sidney P. White. Another local man took out papers for an unknown candidate for this position. George Cairns, mentioned in rumors as being the possibility, stated last night that he definitely was not interested.

Dr. William Emmons, sole candidate for the Board of Health position, left vacant by George Brown, will become a new office-holder without opposition. G. Richard Abbott will apparently become the first three-year tree warden in the town's history by default, the town having changed the term at the last annual meeting. J. Everett Collins and Thaxter Eaton will be rechosen selectman and treasurer respectfully without opposition.

## NICE CURTAINS? Yes—But---

*They do need something, don't they?*

*Good material, very attractive, hang nicely—  
but even curtains like Sutherland's can be en-  
hanced in beauty by one simple little device.*

*Look at the top of curtains, or drapes. There's  
something unfinished about them, isn't there?*

*And what is it they need? Sutherland's has  
them.*

## READY-TO-PAINT CORNICES

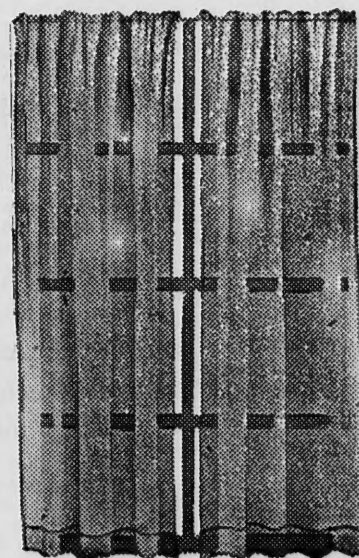

### Complete With Curtain Rod

*They add such a decorative touch! And you  
can paint them to match your color scheme.  
Set them up inside the window frame (like a  
Venetian blind) or outside, as you prefer.  
They're kiln-dried wood, won't warp and come  
in a decorative design. Three widths, 36 in., 42  
in., and 48 in. Best of all, you can cut them to  
any desired size without affecting their beauty!*

## Chief Needahbeh To Address Service Club

Chief Needahbeh, who for the last twelve years has been master of ceremonies at the New England Sportsmen Show, and who has lectured in Andover schools, will be the guest speaker at the next meeting of the Andover Service Club to be held at Andover Inn, Thursday night, Feb. 10.

He will appear in full tribal dress, offer native songs and dances, tell some of his inimitable tales of the woods, including some of his exploits at Foster's Pond, here in town, where he spends most of his time (when he isn't travelling over the country lecturing), with Willard H. Davis, Boston newspaperman, who will introduce him to the club members. Mr. Davis lives at the Pond.

Incidentally, the Chief's name is pronounced Need-Ah-Bay—with accent on the "bay." It means "Great Friend." He is former Chief of the Penobscot tribe, Oldtown, Maine, has published two books, fished and hunted in every state in this country, but admits he likes to get back to Foster's Pond. He comes from Maine's Moosehead section.

## PUNCHARD NOTES

Through the Athletic Association, the students of Punchard participated in the Salvation Army drive.

The sales of war stamps and bonds in the school during this fourth war loan drive has increased considerably.

On Friday, Chelmsford defeated Punchard in basketball, 39 to 21, in the first game and 23 to 20 in the second game.

### One-Act Play

The senior oral English class is presenting a one act play during an assembly on Thursday of this week. Among those taking part are Gladys Deyermont, Teresa Darby, and Constance McCullom. Bessie Dantos is acting as prompter, with Ruth Martin and Audrey Nowell in charge of properties, Kathleen Eastwood and Joan Fleming of costumes, Helen Renny of curtains, Helen Hannan of lights and Ruth Grant and Marjorie Kearn of furniture.

### Honor Roll

The Honor Roll for the second term has been announced as follows:

**Honors in five major subjects:** Seniors—Priscilla Curtis, Barbara Hart, and Helen Hannan. Juniors—Beatrice Paine, Barbara Buckley, Anne Colombosian, Janette Easton, \*Pauline Erler, and Ruth Gregory. Sophomores—Cynthia Black, Eileen Fairburn, Ruth Glennie, \*Virginia Hardy, \*Mary Lynch, \*Letitia Noss and John Petty. \*Highest Honors.

**Honors in four major subjects:** Seniors—Gladys Deyermont, Joan Nash, Spaulding Shaw, Eileen Tisbert, Elsie Rasmussen, Dorothy Webb. Juniors—George Collins, Robert Hamilton, Charles Hayward, Barbara Hill, Ruth Innes, Albert Johnson, Edith Lawrence, Evelyn Locke, Angela Magnano, Ellen Pitman. Sophomores—Claire Darby, Austin Day, Gloria DeRosa, Lillian Dimlich, Marilyn Duguid, Jean Hardy, John Hathaway, John McVey, Robert Moss, Claudia Nicoli, Evelyn Stein, Allan Titcomb.

**Honors in three major subjects:** Seniors—William Cottam, George Craig, Richard Dennison, Marjorie Irwin, Dorothy Finno, Dorothy Foster, John Nicoli, Virginia Wood, Constance McCollum, Marjorie Drauin. Juniors—Robert Batcheller, Marguerite Botsch, Barbara Boutwell, Josephine Cleary, Theresa Darby, William Dole, Jacqueline Driggs, Joan Fleming, Mildred Harshaw, Jane Lindsay, Raymond Lloyd, William Lowe, Marjorie Mears, Marjorie Milliken, Edythe Pullan, Ainslee Schofield, Shirley Stevens, Eunice McDonald. Sophomores—Raymond Cronier, Kenneth Dennison, Richard Kesner, Benjamin Locke, James McNulty, Barbara Monroe, John Robinson, William Ware, John Wirtz.

RUTH GREGORY

## CHURCHES

### South Church

**Sunday,** 9:30, Church School and The Little Church; 10:45, Morning Worship and Sermon: "Go to your God!"; 10:45, Church kindergarten; 11:15, Educational Motion Pictures; 6:00, United Youth Fellowship at Christ Church.

### St. Augustine's

**Today,** Feast of St. Blase, blessing of throats at 3:30 and 7:30; Confessions at 4:00 and 7:30.

**Friday,** First Friday, masses at 6:15, 7:30; Holy Communion at 6:45; Holy Hour Devotions 7:45 p. m.

**Sunday,** Masses at 6:30, 8:30, followed by Sunday School; 9:45, 11:30, followed by benediction; 9:00, mass at St. Joseph's.

### BIRTHS

A daughter to Mr. and Mrs. Arthur Minzner, 72 Haverhill Street, Shawsheen Village Thursday afternoon at the Lawrence General Hospital. The mother is the former Miss Dorothy Hey. They have a son, William.

A son to Mr. and Mrs. Alfred Lombard of 41 Lowell street Saturday at the Lawrence General hospital.

Mrs. Charles Schofield of 85 Summer street is convalescing at the home of her brother, Dean Peabody in Brookline after undergoing a major operation at the Lawrence General hospital.

### Vale Fire Truck

(Continued from Page 1)

and Frank Cairns, the appropriation being \$1182.50.

Lucien Topping is expected to insert an article, asking \$1700 for the repairing of a bad spot on Topping road. The road though hard-surfaced has a depression which becomes a waterhole in rainy weather.

Running a market during wartime isn't easy, but we give our "ALL" in an effort to please our customers. We search out the foods and home needs we know you will want . . . We make shopping as convenient as possible . . . Despite the manpower shortage we try to keep up our service . . . AND, most important of all, we give TRUE VALUES for both your MONEY and your RATION POINTS!

# NEWS OF OUR MEN *and* WOMEN IN UNIFORM

The Servicemen's Page is prepared by the Townsman editors with the active assistance of the Servicemen's Fund Association.

The Townsman is sent each week, free of charge, to every local serviceman by the Merrimack Mutual Fire Insurance Company. We shall appreciate receiving up-to-the-minute addresses for all Andover men and women in service, in order that our mailing list may be kept accurate.

## AT EASE!

Word comes to us that Ensign Clifford Stowers has recently been sworn in and commissioned in the U. S. maritime service.

Not that he didn't appreciate it, but you can't blame Lt. John Monro for hoping that the 1943 Servicemen's Fund association Christmas package will be the last... maybe we can make the next one a homecoming present. John's not alone in his gratitude to the local association, because those letters that make all the hard work more than worthwhile are still pouring in from all over the world... a major out in Bougainville got a piece of chocolate from Tech. Sgt. Bill Deyermund's package for saying something Bill felt: that it was the finest Christmas package he had seen from anywhere... "it was one of the biggest thrills of my life to hear the voices of my wife, my folks and my sister, after being away so long", says Bill of the record he received.

M.M. 3/c Edward Naylor received his package on December 19th with the boys of the division enjoying it as much as he did... John Kasabian found that the gifts contained some of the things that are very hard-to-get in India, where he has been located for some time... the items are luxuries at Empress Augusta Bay, too, where Pfc. Weston D. Eastman, who was in on that historic landing, received his gift... the day after Christmas Cpl. John C. Elder received his package somewhere in New Guinea... Santa Claus was on time with Ensign Mel Grover, for he received his on the 25th out in the South Pacific... other nice acknowledgments have come to the association from S 2/c Robert P. Nangle, now in the British Isles, O/C Stafford A. Lindsay, Jr., located at Ottumwa, Ia., and Ensign John B. Nunez, writing from Miami.

Pfc. Arthur P. Manock, acknowledging his birthday card from the association, says that he is now in a combat outfit.

Incidentally, you boys who have found this page so interesting in the past, will be interested to know that Jack Moynihan, associate editor who has been taking care of it since its inception has donned Uncle Sam's khaki.

In the air and on the sea at Tarawa were two Andover brothers... Lt. Com. Allan C. Edmands was the pilot of one of the planes that blasted the place and Lt. E. John Edmands was an officer on one of the destroyers... they are the sons of Mary C. Edmands, who's now living out in California nearer to the scenes where her two Annapolis sons are helping make history.

SPAR PRISCILLA GLINES, daughter of Mr. and Mrs. Roland Glines of 63 Bartlett street, now in training at the U. S. Coast Guard SPARship Biltmore, Palm Beach, Florida. Following her "boot" training she will undergo special training or be assigned to one of the Coast Guard districts to release a Coast Guardsman for combat duty.

Send us along your picture, fellows, if you want a furlough. We ran a picture of Al Dix last week, and the next day he showed up in the office, just as if to contradict our assertion that he was at Fort Knox. He's on a furlough, prior to transferring to Meade.

Home in time for Saturday evening's big affair for the Town baseball team and our own Eddie Doherty will be Bob Burnham, f 1/c in the Navy... Bob's had quite a career since he reported at Newport where he worked under Selkirk of the Yankees and Burke of the Senators... there he made the boxing team and the basketball team... transferred to Noroton, Conn., as an instructor, he has been playing on the Brooklyn Falcons hockey team, in the same league with the Boston Olympics.

Pvt. Tommy Low, captain of the Town team, has been recuperating from a recent illness at Camp Edwards... he'll probably be home for the banquet.

After two years of service Pfc. William A. Hurley, son of Mrs. Hurley of Bartlett street, has arrived in Newfoundland with an Engineer Company. He received his basic at Fort Belvoir in Virginia. Brother Tim is somewhere in the southwest Pacific.

"Kicked upstairs to adjutant of my searchlight AAA battalion" is what Whit Clark says they went and did to him down in Orlando, Fla. "And who did I right away find to be a member of the same outfit but Dick Hawkes, formerly of Main street, Punchard and P. A., now hailing from Winchester".

Imagine letting the arrival of an eight-and-a-half-pound daughter interfere with letting the Townsman know the new address of a service man! Pvt. Dick Sutton writes from Texas that he had been intending to write to give his new address but in "all the excitement my letter to you was momentarily overlooked". What finally happened was that he wrote to convey his surprise at receiving the Townsman with his new address on it before he had given it to us—just one of Superman's Services to Servicemen With New Babies. Dick was transferred last November from the Quartermaster Corps to the Air Force and shipped to Miami Beach where he "spent the holidays on the sunny beaches and in the ocean". Dick sent along his brother Bob's new address, at a naval base somewhere in the Pacific—and we hadn't beaten him to the punch on that. Incidentally, Dick, heaps of congratulations—and does she look like mama or daddy?

Cpl. Donald A. Boynton has entered the Field Artillery Officer Candidate school at Fort Sill, Okla. He is the son of Mrs. Kellogg Boynton, 17 Hidden road, Andover. Upon completion of the 17-week course he will be commissioned a second lieutenant of field artillery in the Army of the United States.

"Duke" Meuse (Pvt. Clarence instead of "His Lordship" to the Army) was disillusioned about the Sunny South... it was pouring rain when he arrived at Fort McClellan in Alabama, where he is in radio... Clarence is the husband of the former Josephine Hurley of Harding street.

H. A. 1/c George Benvie writes from Corpus Christi, Texas, that he's coming to Andover on his next leave... he hasn't been here in two years.

Alton Porter, now an apprentice seaman, is in training at Sampson, N. Y. Al's wife and two babies are now living in Reading with Mrs. Porter's parents.

Edmund Francis Leland, III, "Ted Leland," has been transferred to Craig Field, Selma, Alabama. He is now classified as pilot material.

Yeoman 3/c Eleanor Gorrie of the WAVES was in town last Friday, en route from her preliminary training in Oklahoma. She is now stationed at Dartmouth college. Eleanor was employed as a secretary at the Andover Press before entering service. We'll show you her picture next week.

## Carter's Corner

Vernon Porter of the Merchant Marine left this week after spending some time with his wife and children at the home of the Joseph Gallants'.

A/C JOHN W. READING has finished his Basic A. A. F. training at Walnut Ridge, Arkansas. To obtain his training he has attended camps and college in seven states. The next move is to Advance Flying.

Billie Auld, Jr., now has a rating of corporal. In a recent letter Billie wrote that they were leaving soon for maneuvers in Tennessee. Pvt. Jerry Gallant is now stationed in Hawaii. His brother Pfc. Leon Gallant, has been discharged from service and is now at home with his family, the Angus Gallants', after being in a hospital for several weeks.

## West Parish

Andover is going to have another girl in the WAVES... Janet Carter, daughter of the Herbert Carters, will leave February 10 for Hunter College in New York to commence her training... Janet graduated from Punchard and Northfield Seminary and she also attended Westbrook Junior college in Portland. Her aunt, Mrs. Karl Haartz, is down at Camp Sutton, North Carolina, helping her husband, Tech. Sgt. Karl Haartz, recover from the gripe.

A slight accident which his ship suffered en route to Portland from Boston gave Chief Petty Officer Abbott Batchelder a chance to get home Sunday while the ship was tied up in Portland Harbor for repairs. Signalman 2/c Albert Batchelder recently returned to his ship in New York after a short stay at home.

Cadet John Pike, son of Mrs. Walter Pike of Lowell street, is now located at Lakeland, Fla.

Burton Batcheller has been moved up to a sergeancy at Camp Carson, Col., according to word received by his parents, Mr. and Mrs. Fred Batcheller of Lowell street... the new sergeant is with the ski-troops and has just returned from a furlough.

## String Quartet To Present Concert

The American String Quartet,  
famous for its delicate and precise  
artistry, will give a concert of  
chamber music in George Washing-  
ton hall next Tuesday evening at  
8:15.

The quartet includes: Harold  
Kohon, first violin, who began the  
study of music at the age of six,  
later won the Leopold Auer Schol-  
arship for study at the Curtis Insti-  
tute in Philadelphia, studied for  
many years with the New York  
Philharmonic's Mishel Piastro, and  
more recently with Georges Enesco  
in Paris. The second violinist is  
Benjamin Levin, formerly concert-  
master of the Newark Symphony  
Orchestra. Felix Frost is the viola  
player, until 1938 a resident of  
Vienna, where he served as con-  
certmaster, first violin, and soloist  
with various Viennese orchestras.  
He came to America in 1940, and  
has played solo violin parts with  
several of our well known orches-  
tras. The 'cello will be played by  
Russell Kingman on one of the  
most famous of instruments, a  
Stradivarius 'cello which was for-  
merly the beloved instrument of  
the late Emanuel Fuermann.

The program follows: Quartette  
in C Major, Op. 49 (Moderato,  
Moderato, Allegro Molto, Allegro),  
Shostakovitch; Chaconne from Par-  
tita No. 2 in D Minor (for violin  
unaccompanied), Bach, Mr. Kohon;  
Quartette in D Major, Op. 76 No. 5,  
Haydn.

## ABBOT ACADEMY NOTES

### Recital Saturday

Piano and voice pupils of Miss  
Friskin and Miss Tingley will give  
a recital on Saturday evening in  
Davis Hall. The program is planned  
to include the following numbers:

Piano—Waltz in C sharp minor  
by Chopin, Polly Thomas; Im-  
promptu in A flat by Schubert,  
Nancy Selinger; Arabesque by Schu-  
mann, Janet Redman; Little Shep-  
herd and Dr. Gradus ad Parnassum  
by Debussy, Marjorie Milne; Fanta-  
sie in D minor by Mozart, Alva  
Houston of Andover; Impromptu by  
Schubert, Molly Hubbard; Ballade  
in A flat by Chopin, Mary Jane  
Kurth.

Voice—Cradle Song by Gretch-  
aninoff and Morning by Speaks,  
Charlotte Trow of Andover; The  
Dream by Rubenstein and Agnus  
Dei by Bizet, Betty Doyle; L'Amoro  
Saro Costante by Mozart, Mar-  
garet Travis; Le Moulin by Pierne  
and Spring by Henschel, Alva  
Houston.

### Chapel Notes

The Reverend Roy Minich of the  
First Church in Malden will speak  
at the vesper service on Sunday, at  
7:30 o'clock in the chapel.

An enthusiastic and gratifying re-  
ception was given by the students  
last Sunday evening to Father  
Ahern, Rabbi Cohon, and the Rev-  
erend Greeley, who spoke in behalf  
of the need for mutual trust and  
brotherly understanding between  
peoples of all faiths before any so-  
lution for post-war problems can be  
found. The girls are asking that  
such a program be repeated at as  
early a time as possible.

## COOPERATE IN THE NATIONAL VOLUNTARY CONSERVATION PROGRAM

Uncle Sam urges everyone to use electricity wisely  
— to save those vital war materials by which elec-  
tricity is made. Here's where our Government asks  
business to conserve: Indoor and outdoor display  
signs • Decorative, ornamental and flood lighting  
• Show window lighting • General interior and  
show case lighting • Non-essential lighting of mar-  
quees and entrances • Non-essential use of lights  
and appliances

### GREEK RELIEF

There is ample opportunity for any interested worker to help a worthy cause at the local headquarters for Greek Relief. At the Musgrove building is a group of women headed by Mrs. Digis and Mrs. Dantos who are sorting and mending clothes donated and packing them for their destination.

Smith College alumnae all over the country have been especially interested in this work, and the local group is assisting and cooperating to the best of its ability. Because the work is so well organized and because there has been every assurance that the material is getting through to the Allied countries, it would seem that anyone desirous of helping could not devote herself to a more worthy cause or one more efficiently conducted.

B. P. W.

(Continued from Page 1)

at the Central playstead. The sixth article asks the appropriation or the transfer from unappropriated available funds a sum of money for Chapter 90 highway maintenance.

Last year the Board hired a snow-loader from Wellesley college and the members were so impressed at the saving in payroll money that they decided to ask the town for an appropriation to purchase a rebuilt machine. It is expected that it will pay for itself in three years. The land purchase is being requested for the eventual building of sand-storage facilities to avoid the present necessity of sand-trucks going out to different parts of the town on icy roads to secure sand. It was felt better to centralize the storage.

The articles, which will not be numbered until the selectmen arrange the warrant after today's five o'clock special article deadline, read as follows:

ARTICLE ??—To see if the Town will vote to appropriate the sum of seventy-two hundred (\$7,200.) dollars to purchase a new or rebuilt combination snow and sand loader together with appurtenances on petition of the Board of Public Works.

ARTICLE ??—To see if the Town will vote to acquire by eminent domain or otherwise the land of Ernest N. Hall adjacent to the Town Yard at the bottom of Lewis Street, and bounded and described as follows:—Beginning at a point on the southerly side of Lewis Street, three hundred and fifty-one (351) feet from the west side of North Main Street; thence running westerly by said Lewis Street seventy-one (71) feet to land of John O. Collins; thence southerly by said Collins' land fifty-five (55) feet; thence easterly by land of Driscoll heirs about eighty (80) feet, more or less, to land of William P. Regan; thence by said Regan's land sixty-six (66) feet to the point of beginning; and appropriate the sum of four hundred (\$400.00) dollars therefor, on petition of the Board of Public Works.

ARTICLE ??—To see if the Town will authorize the Board of Public Works to build new sidewalks and appropriate the sum of five thousand (\$5000.) dollars therefor, at the discretion of and on petition of the Board of Public Works.

ARTICLE ??—To see if the Town will authorize the Board of Public Works to repair and paint the baseball and football bleachers at the Central Playstead and appropriate the sum of five hundred (\$500.) dollars therefor, on petition of the Board of Public Works.

ARTICLE ??—To see if the Town will vote to raise and appropriate the sum of sixty-one hundred (\$6100.) dollars to rebuild and repair portions of walls in the way of Rogers Brook on petition of the Board of Public Works.

ARTICLE ??—To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Highway Maintenance, or take any action in relation thereto.

### Religious Education School Here Again

The twenty-ninth session of the Northern New England School of Religious Education will be held at Phillips Academy during the week of August 27. Rev. Emerson G. Hangen of Durham, N. H., who preached last Sunday at Abbot Academy, is president of the board of trustees, Dr. Ruth Richards Miller of Endicott Junior College is executive secretary, and Thaxter Eaton is treasurer and business manager.

## Salary Problem Bothers Local Town Officials

### No Definite Policy Formed; May Leave Up To Town Meeting

The salary question for town employees is at present occupying the thought of many people prominent in town life, but present indications point to a town meeting free-for-all unless some definite policy is lined up by that time.

Two general meetings have been held by town officials on the problem, but the general feeling seems to be that each department should handle its own problems. Some departments, notably the Board of Public Works and the Tree department, have increased wages during the past year. Some employees have been increased more than others, for different reasons, some being key men, etc.

Some of the departments seem loath to take any definite stand on the matter, preferring instead to leave the matter up to the town meeting. As nearly as can be determined now, the school committee will present its budget based on last year's salaries but will have alternate figures ready on a proposed increase of 10% with a maximum for any one person of \$100. This arrangement would increase the budget over \$6000. If the town grants a general increase, it is not definite whether the Board of Public Works will grant a further raise to its men or not, but the tree department is including a five percent increase in its budget.

Some of the selectmen's employees would probably receive an increase. The police department may submit alternate figures for a five and a ten percent increase.

At present there is a possibility that members of both departments may be included in a two dollar a week increase per man.

The Board of Health may make no request, but will have figures available for a five and ten percent increase. The same situation exists in the cemetery department whose laborers have not kept pace with the public works or tree help.

## FREE CHURCH NOTES

### Servicemen's Committee

Announcement was made last Sunday of the formation of the Servicemen's Committee which will undertake the responsibility of keeping close contact with all the boys and girls in the service who are identified with the Free church. The committee: Mrs. Isabelle Gorrie, chairman; Gladys Martinson, Alice Neil, Betty Whitcomb, Jeanette Mooney, Natalie Milliken, George Keith and Alexander Campbell. Chairman Gorrie plans a small Executive Committee to be supplemented by a large working organization.

### Men's Meeting

A Men's meeting at the Free church on Tuesday, February 15th at 7:30 p.m. has been announced. At that time Mr. John E. Daniels of the Associated Industries of Massachusetts will address the group and discussion on the advisability of forming a permanent organization will take place. The group of men who are sponsoring this initial meeting are: Alexander Beedie, Alexander Black, Frank Buttrick, David Coutts, Robert Deyermund, James Edgar, William Faulkner, James Gillespie, Alfred Harris, Norman MacLeish and J. Glenn Noble.

Margaret Slattery Class officials announced recently that plans for the church "Poverty Party" on February 16th are progressing and that tickets for this event have been widely distributed. Further details are to be announced next week.

The Church School "Victory Party," postponed from January, will be held on Friday, February 11th, in the vestry from 7 to 9 p.m. Co-Chairmen Betty Barnett and Isabelle Gorrie have a Valentine program of dancing, games and stunts which will appeal to everyone. Refreshments will be served at the conclusion of the party.

### Unexpired Rations For Unused Cars Must Be Returned

The rationing board calls to the attention of those who have not re-registered their automobiles, but who intend to do so on April 1, or later date, the following regulations:

Any person who attempts to register a car after January 1, is required to present to the registry of motor vehicles, a certificate from his rationing board to the effect that all previous gasoline rations on the vehicle which is being registered, have been returned to the ration board. Persons who have not registered their cars, but intend to register them at a later date, should immediately turn all unexpired rations in to the ration board.

A certificate will be issued immediately, thereby making it possible to either sell or re-register a car without further delay. If the unexpired rations are not turned in immediately, there is a chance that they will either be lost or misused. In such event, Chairman Foster Barnard says, the Board may not be able to issue the certificate necessary for the sale or registration.

### Engagements

Mr. and Mrs. Frederick Cutler Smith of 61 Chestnut street have announced the engagement of their daughter, Barbara Marie, to Lt. Frederick J. Wilson, AC, AUS., son of Mrs. Kathryn E. Wilson of Pittsburgh, Pennsylvania. Miss Smith attended Pynchard High school, Simmons college and the Katharine Gibbs school in Boston.

Lt. Wilson, who attended Carnegie Institute of Technology, is at present stationed at Massachusetts Institute of Technology.

An early spring wedding is planned.

Mrs. Caro M. Guild of Melrose Highlands has announced the engagement of her daughter Jane to Aviation Cadet Robert W. Hinman, U.S.A.A.F., son of the late George W. Hinman and the late Miriam Clarke Hinman of Andover.

Miss Guild is a graduate of Pynchard High school and has completed two years of art school.

Mr. Hinman was graduated from Phillips Academy in 1939 and Williams college in 1943. He is currently stationed in Cambridge.

Yeoman 2/c Peggy Darling from Arlington Falls, Va., writes to ask if we will announce her engagement of nearly a year to Charles R. Proulx, W. T. 2/c, of Ballardvale, now somewhere in the South Pacific with the Seabees. Peggy's home is now in Newburyport. She worked and lived in Andover about two years before joining the WAVES.

### New Draft Classifications

### MORE BUSINESS IN TOWN GOVERNMENT?

It's a very interesting study going over Town Department budgets as the directors of the Andover Taxpayers' Association have been doing the last few weeks. One comes to the realization that the person who spends the money is actually the most important cog in the wheel.

Were town business run as ordinary business is, there would be many changes in the present state of affairs. Take our School Department, for instance. We have a School Committee with nine members, which meets once a month, or oftener if the occasion arises. They hire a Superintendent to run the schools just as the Board of Directors of a corporation would elect a Treasurer or Manager, to run their business. But the parallel ends there. When the Board of Directors elects a Treasurer, their job is practically done for another year. They choose a man in whom they confidently place the control of the business. In Town government, primarily because it is the public's money, it is felt that a committee should exercise more active supervision.

However, no matter how closely a Board supervises its supervisors, it still is terribly important to pick the right person to run a Department, because it is absolutely impossible for persons busy in their own business life to go into the many details that constitute town business.

You choose a man to run your School Department or to run your Public Works, and if you choose the right person your job as a committee-man becomes very easy. Possibly there is the danger of interfering with him too much, by not giving him the freedom to run his department as he, who is in a better position to know than anybody else, feels it should be run.

Take the School Department again. We now have Mr. Erickson as the Superintendent. Probably many a business would like to have a man of similar qualifications in charge of its affairs. The School Committee, fortunately, recognizes his ability, and is allowing him a great deal of latitude in management, or as much latitude, at least, as an over-size board of nine members with nine different opinions can allow.

A School Department, as well as almost any Town department, is under a terrible handicap of an ever-increasing pile-up of traditional expenses. Our school costs here, per pupil, are quite high, and we can't help but wonder what would happen if the Town should say to Mr. Erickson as a Board of Directors, in effect, says to its Treasurer: "You go ahead and run this Department as you think best. Forget the School Committee and forget everything that has been done in the past. Reorganize the Department as you see fit, but run it efficiently." If State law left him free to hire and fire as he wished, we think that the taxpayers of Andover would have to provide fewer tax dollars and get a great deal more than they are now getting for the many dollars they spend for schools.

### TWO LOSSES

Fred Smith sat at what will probably be his last school board meeting Tuesday night. Fred has been there for twelve years now, twelve very conscientious years of service to the town. It's been a period of marked progress for the local schools; it's been a period in which the school board and particularly Fred Smith have had more work to do and more important decisions to make than any Andover school board has ever had to make before.

Fred was secretary for two years, chairman for ten. In addition he served as the board's representative on the school building committee, during which time he attended 153 meetings. Probably more than any other person he can look with justifiable pride on the Junior High and the Memorial auditorium unit.

A steady, moderating influence on the committee, his withdrawal

from public life represents a real loss to the town.

George Brown is also retiring this year after many years of service on the Board of Health. His work there has not been easy, but he carried it out with an admirable persistence and with loyalty to the town. It is to be regretted that he will no longer be on the board.

### COMMUNICATIONS

Most Gratefully

Dear Editor:

You have been so very kind about giving publicity to the Christmas Seal Fund that we wish you to know the Fund reached the amount of \$1650.17 January 31, 1944. Last year at the same date we had \$1517. Andover contributors have been wonderfully generous as they always are in every good work.

## AMERICAN HEROES

BY LEFF

When Richard Breckenridge's submarine made a hurried dive off Japan, a hatch jammed, but he ignored the order to abandon the rapidly flooding conning tower and remained behind, desperately trying to fasten it. By succeeding, he saved vital equipment for his submarine and became the first enlisted man in the submarine service to win the Navy Cross. He was willing to give his life. How much of your income will you invest in Payroll Savings?

Apologies and regrets go to those friends who received unmerited a follow-up card, but in practically every case it made for greater understanding. May I say contributions are always welcome and appreciated.

Again with warm thanks to the 1400 people who have helped; the Andover Police Relief Association, the Fire Relief Association, the Tuesday Club, Marland Mills, Tyer Rubber, Phillips Academy, The King's Daughters, the Service Club, the Public Schools, as well as the Private Schools, and to everyone, we are

Most Gratefully,  
LUCY ALLEN EATON  
for the Christmas Seal Committee

### This Sober Town

"Enviably indeed is Elisabeth Russell". You don't know Elisabeth Russell? You don't know why she is enviable? Well, at the moment she is enviable because on next Tuesday there are going to be pictures of her on every newsstand in the country.

Felix Jager of Look magazine has sent us on an advance copy of next week's issue. Elisabeth, you see, comes from North Andover, and to Look magazine she is enviable because she "leads a happy active life with her husband and four children in a comfortable home in rural New England. "Well", you say, "who doesn't?"

That's just the point. All you American women do, with of course a variation in numbers in the family. The article featuring Mrs. Russell is entitled: "The American Women — Envy of the World". "Some thirty million married women of varied means and circumstances share the elements of her good fortune: all are Americans, lucky enough to live in a land physically removed from war, in homes free from hourly threat of destruction".

The pictures show Elisabeth planning her meals, bathing her baby, acting as a volunteer at the Lawrence General, working on Red Cross surgical dressings, riding her bike with the three girls, one of whom, Tania, enters Abbot in the fall, skating, working with husband Bill at his wrought-iron hobby, gilding the lily, and having people in for dinner. The dinner guests incidentally are Clare Hayes and Mr. and Mrs. Bob Choate. Bob, if our memory for faces hasn't failed badly, is the publisher of the Herald.

It's an interesting article, using the sister of actress Jane Wyatt as a medium for telling what the average American woman is like. But we do seethe a bit on reading it. "Rural New England!" "Life in the country". What do they mean, rural? Wasn't it last year the North Andover town meeting decided to leave the sidewalks out all night?

\* \* \*

Using our slide rule and adding machine to its fullest, we have found out that if all the rules and regulations with amendments, interpretations, etc., that the government has issued on saving paper were laid end on end, or even piled up on top of each other, there would be enough paper saved so that the government wouldn't have to use paper to tell us how to save paper.

\* \* \*

Now, instead of 4-F-ers wondering if they will be 4-F-ers forever, the 2-A-ers are wondering how soon they'll be going 2 Ayer.

Marjorie Davis, daughter of Mr. and Mrs. Charles Davis, 57 Park street, fractured the shin-bone of her right leg while skating on Chestnut street Friday night. Marjorie is now under medical treatment at home, but will be back to classes at the Junior High school when the break mends.

## Phillips Announces Summer Session

The 1944 Andover Summer Session, running from June 28 to August 23, under the direction of Alan R. Blackmer, was announced today by Headmaster Claude M. Fuess as part of the academy's contribution to the war effort. In addition to providing a term's work for accelerating seniors, the Summer Session will offer other boys of high school age a well-rounded education designed for the national emergency. Ten competitive scholarships, covering the Session's overall charge of \$300, will be awarded to boys not previously enrolled at Andover.

The curriculum will include most of the courses given by Andover in its regular year, with emphasis upon those of advantage as pre-military training. Daily assemblies will use motion picture and forum discussion to increase understanding of the war and post-war problems. Also featured will be a special physical fitness program. To help relieve food and labor shortages, summer students will work on the school garden or grounds, with some whose schedules permit taking regular afternoon jobs on neighboring farms at prevailing rates of pay.

Miss Muriel Pullan, daughter of Mr. and Mrs. Ernest J. Pullan, 58 Highland street, has begun a 14-months course at the Household Nursing School for Attendant Nurses in Boston. In taking this training, which combines bedside nursing with household economics, Miss Pullan is preparing herself for work in hospitals and homes now and after the war.

## War Bonds

(Continued from Page 1)

The drive is being conducted by the two school papers, the Exonian and the Phillippian. The Exonian has issued "A Public Message to Our Rivals in Blue," as follows:

"In instituting the Exeter-Andover War Loan, our design has not been to add one more victory to those which will surely be Exeter's this year; nor has it been to extend to you, our rivals, the opportunity of compensating for your losses. Our purpose is pure: to effect our most substantial contribution to the war effort.

"Competition, of course, will add flavor to the undertaking, and significance to the victory. Do your best, Andover; if success lies in ingenuity and enthusiasm, it is ours already."

The bonds and stamps have to be bought by individual students; masters and fraternities won't be counted. The contest will end February 14, but special arrangements have been made for telegraphic reports on the standing of each school.

State war finance officials have evidenced a keen interest in the plan.

## UPHOLSTERING

## Budgets Studied By Tax Directors

Several more reports on town departmental budgets were presented last night at a meeting of the Tax-payers' association directors in the town house.

Harry Emmons presented a detailed report on the various items which come under the control of the Board of Selectmen, and Clifford Marshall reported on the fire department. Stafford Lindsay's report on the police budget was presented in his absence by President Brimer.

Bernard L. McDonald told of the health department requests, and J. Augustus Remington presented the cemetery report. Herbert Farnsworth spoke on the library budget.

The Board of Public Works budget and the school committee's occupied considerable time, with the former being presented by Henry S. Hopper and the latter by Edmond E. Hammond.

No definite action has been taken on any budget as yet, since more intensive studies are to be made in order to check up on some of the questions presented by the directors.

## Clan Auxiliary Drill Team Show Successful

The Clan auxiliary drill team again did its part for the Servicemen's Fund Association last Friday night when it presented another very successful minstrel show at the Memorial auditorium. Although returns are not complete, it is expected that a sizeable sum will be turned over to the Fund.

The members of the cast plan shortly to have a party in Boston, with dinner at the Lucerne and a theatre performance to follow.

## MISSIONARY SPEAKS

G. Ross Thomas, treasurer of the Mahrati Mission in India under the American Board of Foreign Missions, gave a talk on conditions in India Thursday evening at the South Church at a meeting sponsored by the Women's Union and the A. P. C. sorority, with the Men's club of the church as guests.

Refreshments were served after the meeting. The committee consisted of Mrs. Frederick W. Gould, Mrs. George Glennie, Mrs. Ralph L. Draper, Mrs. Clifford E. Marshall, Mrs. Harold Bendroth.

## Books Needed

The Massachusetts Victory Book Committee has been formed to carry on in Massachusetts from where the National Victory Book Campaign left off. The men in our armed forces and in the Merchant Marine need books desperately. The Massachusetts Committee has set its minimum goal at 250,000 volumes. All types of books, in GOOD CONDITION, are welcome. Biographies, travel, science, religion, but especially GOOD FICTION—MYSTERIES, WESTERNS, and COMICS are in demand. Give as liberally as you can—remember that small popular editions can be bought for as little as twenty-five cents apiece. The Memorial Hall Library will serve as a collection center.

## Good News That Will Please You

The February chart for canned rationed vegetables shows a point reduction on certain varieties as much as 50%! This means that you are now in a position to stock up on kinds that you use every day, and which up to now you have of necessity had to curtail. Again, we offer you our below ceiling prices, and you also gain from 50% to 100% on the point reduction of these articles from what they were when point rationing started nearly a year ago.

Pioneer Brand Asparagus (All green — tips removed)	
No. 2 can—15 Points.....	2 cans 43c
Monroe Tomatoes (No. 2 tin) Points now 10 each..	2 cans 27c
Libby's Red Salmon (Alaska Sockeye) Points now 12 each	2 cans 95c
Fairway Brand Cut Wax Beans — 19 oz. tin—Point free.	
A year ago cut wax and cut green beans were 11 points a tin.....	2 cans 31c
Yacht Club Grapefruit Juice — 46 oz. tin — Unsweetened	
No points. A year ago, these cans were 23 points each!	
Now .....	2 cans 71c
Libby's Deep-Brown Beans (Vegetarian) — 14 oz. tin	
Points now 5 each.....	2 cans 25c
Blue Label Peas — No. 2 tin — Points now 10 each!	
Medium sieve.....	2 cans 39c
Monroe Tomatoes — No. 2½ tin. A year ago tomatoes in this size tin required 24 pts. each. Now 12!	2 cans 39c
Crosse & Blackwell Vegetarian Vegetable Soup — No points! A year ago, points required were 8 each	2 cans 27c
Burnham & Morrill Oven Baked Beans—18 oz. tin—points now 6 each. A reduction of 4 points from January chart .....	2 jars 37c
Sunshine Hi-Ho Crackers—Full pound.....	pkg. 23c

We have plenty of the following articles: Tea, Cocoa, Gelatines, Coffee, Gallons Marshmallow Fluff, Prunes, Raisins, Jellies, Jams, Mayonnaise and Pickles.

Good Size Sweet Juicy Oranges.....	doz. 29c
Good Size Grapefruit.....	3 for 25c
Blue Hubbard Squash.....	lb. 7c
Fancy Andover Baldwin Apples.....	3 lbs. 27c
New California Lemons and Limes — Fancy	
Large Pineapples — Fresh Rhubarb — Fresh	
Strawberries	

## MEAT DEPARTMENT

THIS WEEK WE HAVE PLENTY OF:

Small Frying Chickens	Top Round Steak
Large Fresh Dressed Fowl	Rib Roast Beef
Fresh Pork	Thick Rib Corned Beef
Pot Roast	Fresh Hamburg
	Tomato Sausage

# Let's **BUST 'EM** Wide Open

**I**T'S IN THE AIR. You can *feel* it, every time the Axis is struck. *This* is the climax year, *the year of decision*.

In history, 1944 will be the *big* year of the war—every stroke for victory counts more now. That's why it's vitally important for *every* American to be at his post, doing his part right now.

You, personally, have an important job in winning the war—buying War Bonds. It's not glamorous—no, not even a sacrifice, really, because you are only *lending* your money, to be returned with

interest. But it *is* essential to complete victory.

Your part in this year of decision is *at least* one extra \$100 Bond, above your regular Bond buying. That is your minimum *individual* quota. But don't stop there. Remember wars are won only

by all-out effort. So buy \$200, \$300, \$500 worth—buy *more* than you can afford. And buy your Bonds *where you work*—at the plant or at the office.

Your country is counting on you—let's make the year of decision *OUR* year!

This sticker in your window means you have bought 4th War Loan securities.

**Legion Auxiliary**—A Valentine bridge, whist and 45's party to be held in the Legion rooms Friday, February 11, was planned at the meeting last Thursday...members wishing to donate prizes communicate with Mrs. Frank McCarthy...the public is invited.

## RED CROSS NEWS

During the past week a number of Junior Red Cross members throughout the town have been assisting the Andover War Service Division in the Discarded Clothing Drive. These students searched their homes for articles of clothing which could be used for relief abroad and had them ready for collection by their neighborhood leaders. In many instances where their homes had not been contacted by neighborhood leaders these students took their contributions to their respective schools. Fred Collins very generously agreed to transport these articles of clothing to the War Service Division Center in the Musgrove building.

## Miss Angus Resigns As Local Teacher

The resignation of Miss Mary Angus as a teacher in the local schools was accepted with regret by the school board at its regular meeting Tuesday evening. It will be effective at the start of the next school vacation.

It was announced at the school board meeting that the budget of \$197,000 had been approved by the finance committee. Nothing will be done about a bonus or an increase until the town meeting, but figures will be available at that time.

## WEST PARISH

Melrose and Andover have been doing a bit of swapping....Rev. John Rogers of that city, former district superintendent of the Bangor district of the Methodist church, was guest preacher at the West church Sunday....meantime David Haartz, whose mother is visiting his serviceman father in North Carolina, spent the week-end with Mrs. Edwin Strain of Melrose...and then Mrs. Fred Thresher of Melrose has come here to spend several weeks with her daughter, Mrs. Carl Stevens of High Plain road....that's all for Melrose.... Mrs. John Guild of Lovejoy road is spending several weeks with her sister in St. Petersburg, Florida, while William Stewart of High Plain road headed the other way, spending the week at Dover-Foxcroft, Maine.

## Surgical Dressings

The classes in surgical dressings will meet every Monday afternoon at 1:00 and every Monday evening at 7:30 in the West church vestry. Anyone in the Parish is welcome to come.

# Tax Fax

Local Taxes  
Gasoline Taxes  
Sales Taxes  
Church and Charity  
Medical and Hospital

There is no charge. Just drop in or call us and the booklet is yours.

## ANDOVER SAVINGS BANK

## POLICE BLOTTER

James R. Ashburn of Haverhill street has been drawn for jury duty in the Superior court at Salem starting February 14.

Robert Hood of Abbot street reported that a dog had killed one of his hens. Having a pretty good idea whose dog it was, Chief Dane wrote a letter suggesting that it would be nice (a) if the owner would license the dog; (b) if he would also pay for one n. g. hen; and (c) if he would suggest to the dog that hens are not to be killed. Few days later the S. P. C. A. ambulance drove up to ask where a certain street was, and the Chief told them, then told them he knew whose dog they had been asked to take. The ruse didn't work.

A brewery automobile skidded and overturned on River road beyond the sanctuary on one of the icy days this week. The driver escaped injury. The Board of Public Works was notified—and just in case you think it doesn't do any good to tell the B. P. W. that it's icy out, they have figures to show that they've spread more sand than usual this year. Seems as though the weather is unusual; you spread sand, the ice melts, the sand seeps down, the water freezes, and the sand just doesn't do any good any more. If the spot you slipped on was never sanded, it's just that some other spot had gotten unsanded and had had to be resanded.

## May Organize Day Nursery

The Red Cross is still very much interested in hearing from working mothers who would like to have a Day Nursery here in Andover. Such a project cannot be considered unless a sufficient number of mothers respond, but local mothers who would like to see the Red Cross undertake such a work are invited to telephone the Chapter House, 1496.

## State Guard Notes

The State Guard assembled Sunday morning at the Cage for its weekly drill period. After the usual exercises and close order drill, the company was divided into groups, and instructed in signaling, first aid, open order drill, and interior guard duty.

A week from next Sunday the company will undergo a Federal inspection.

# No Old Type—Ever!

## That's True—at The Townsman Press!

One of our new pieces of equipment makes it possible for us to give you brand new type on every job.

The type for your job is cast from brass moulds, and when used is melted up again, the metal to be reused later.

The Townsman Press is one of the few firms in this vicinity to have this machine.

Although war production has held back part of our supply of fonts, we have quite a few—here's a sample of some:
